The submitted sample of the above product has been consolidation for ROHS according to the following ROHS Directives:

### The RoHS Directive 2011/65/EC

Standard(S) Used for showing compliance with the essential rrequirements in the specified directive(S)

Standard(S)	Test report(S)	Issued by	Date of issuance	Date of expiration
IEC62321:2008	SHTS1803311R	SHTS	Mar 29, 2018	Mar 28, 2018

# RoHS

Joe Liu  
For Chief Executive / Joe Liu  
Date: Mar 29, 2018

The referred test report(s) shows that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the above listed European Directive(s). The verification applies to the tested sample above mentioned only and shall not imply an assessment of the whole production. After preparation of the necessary technical documentation as well as the conformity declaration the CE marking as shown below can be affixed on the equipment. Other relevant Directives have to be observed.
